**Re: Notification of TRESPASS on State Lands.
Required easement application and payment of damages for
road located in Sec. 36, T15S, R11E, SLB&M, Carbon County.**

Dear Harold:

This letter is in addition to the earlier certified letter dated August 28, 1992. The amounts of damages requested are for a road up to 33 feet in width. Your road may exceed that width. If it does, then there are higher easement fees associated with the road. If the road is over 33 feet wide and not wider than 66 feet, then the easement fees and damages would be double the amount estimated in my previous letter.

Again, the road is in trespass and this matter should be resolved immediately.

Sincerely,

Gary D. Bagley
